Description

Vintage Child's Wooden Skis.
A fantastic pair of child's wooden skis complete with poles. The skis are completely original with bindings, red plastic foot plates and manufactures decals. The skis are painted in a wonderful blue colour with white strips, a picture of a child's head and the word 'BOY' and on the ends 'Honberg Multiply, Trademark Ges Gesch'. The poles are made of bamboo with leather handle straps and red plastic rings to complement the ski's. These would make a great decorative statement.
