Description

Snaffles WWI Military Print, The Bonnie Blue Bonnets Fra' O'Er T'Border.

A good Snaffles WWI military print entitled 'The Bonnie Blue Bonnets Fra' O'Er T'Border'. The main center colour-piece hand coloured lithograph is mounted onto the printed remarque board and shows two pipers leading wounded troops through the ruins of a village. There are two remarques, one shows a soldier in the trenches aiming his rifle (top left), the second is a soldier with his sleeves rolled up digging with a shovel (bottom right). This Charles "Snaffles" Johnson Payne (1884 1967) picture is in excellent original condition and framed in an oak frame with the Snaffles blindstamp (a bridle bit) top right hand corner.
