Width: 70 cm (27.6")

Framed Height: 32 cm (12.6")

Framed Width: 75 cm (29.5")

Description

Unusual Polo Picture.

A very nice colourful continental Polo chromolithograph. Most probably Belgium in origin with the best chromolithographs at this time being printed in Brussels.

We think the artist may be Fritz Schulze-Blank, although the printed artists signature looks more like 'Schulze-Blanck'. The picture shows six polo players on horse back, three in red and three in white.

A very good eye catching polo picture in the vain of Cecil Aldin.
