Description

Vintage Motoring Desmo Force Feed Oil Can.

An automotive oil can made by Desmo, Birmingham. A fantastic piece of vintage motoring ephemera, the perfect gift for the car enthusiast. Who would have thought the mundane garage oiler of the Golden Age of automobiles would be a collector's piece. The motorist's oil can engraved to the front 'DESMO, B'Ham, Forced Feed Oiler, No. C/181', it has a brass screw filler lid, brass nozzle and brass thumb pump knob.

The pump oil can dispenser is a great standalone piece or the start of an automobilia can collection.
