Description

Collection of Original Artwork by Arthur Weaver.

A large collection of original artwork for the Morton & John Olman book "St. Andrews & Golf". It includes the concept for the dust cover and thirty-four original pieces of art for the book. Also, three that were not included. To accompany the pictures are Arthur's copy of the golf book from Mort with a dedication along with a personal leather bound copy. There are several black & white photos of Arthur as well. Each picture has the page number written on it so you can reference it with the book.
