Description

Pick of the Pack, Stormer and Grasper.

Antique hunting engraving of a pair of hounds after the original art work by Heywood Hardy. The engraving is by Joseph B. Pratt and the subjects are Stormer and Grasper of the Hertfordshire Hunt, 1900. This wonderful large and impressive dog print is published by Thomas Agnew & Sons in 1901 and is signed in pencil beneath the image by both the artist and the engraver. There is a Printseller's Association blindstamp in one corner and the picture is newly mounted and framed in a modern frame.
