Description

Collapsible Travel, Campaign Cup In Leather Case.

A high-quality telescopic cup (beaker) with plated exterior and a gilded interior. The cup is made up of a four graduated rings, including the base, with a turned over lip and an hinged handle. When fully open the cup stands 7 ½ cm tall but will collapse to just over 3 cm. The handle is hinged so it will fold into the cup to enable storage in the original leather two piece case.
