Description

Puma Folding Pocket Knife.

A great locking folding pocket knife by Puma of Germany in original green and yellow plastic box with the correct label, 965 Deer Hunter. The 3 ¼ inch locking blade with sharp point and a nail groove to safely open the blade. The push release spring with factory stamped control number 41371, dating it to the 1st quarter of 1973. The blade etched '965 Puma Deer Hunter, New Stainless Super Keen cutting Steel, Hademaded - Germany'.

Overall length 7 ½ inches.

Each PUMA knife is factory stamped with a control number indicating in code the year and quarter of its manufacture. The coding system began in October 1964, any PUMA knife not bearing the control number was probably made prior to this date. Johann Wilhelm Lauterjung registered the PUMA trademark in 1769 with the Knifemaker's Guild in Solingen and started trading from a small shop on the Wupper river.
