REF: 28534

Height: 88 cm (34.6")

Diameter: 76 cm (29.9")

Description

Vintage Taxidermy Chandelier.
An original antler chandelier made of red deer and fallow deer antlers, fitted with continental brass screw bulb fittings. The chandelier is most probably Bavarian or Austrian and has been made using nine antlers, five Red Deer and four Fallow Deer. For safety reasons it is recommended to get this taxidermy light fitting rewired, this is reflected in its price.
