Description

'Canadian Mountie' a mounted black and white photographic image after an original 1920's photograph that was part of a collection of Canadian photographs from Banff National Park. Banff National Park is Canada's oldest national park, established in 1885, and nestled in the heart of the magnificent Canadian Rockies. The allure of Banff National Park is the mountainous terrain with numerous glaciers and ice fields, dense coniferous forest, and alpine landscapes, the home of some of North America's wildest creatures, including the grizzly bear, caribou and wolves.

The price displayed is for the mounted photo only.

The external size of the mount is 20 ½" x 14 ¾" - image size 15 ½" X 10".

The black and white photograph is available in a black frame with burgundy undercoat, the glazing is clarity+ premium synthetic glass. Images of the frame are shown. The external size of the frame is 22" x 16" and it is priced at £115.

These photographs can be produced in a larger size if required, please contact us for more information.

The photos are made to order so please be patient, colours and tones may slightly differ to those illustrated.
