Description

Vintage Snaffles First World War Print, Le Poilu.

A good Snaffles WWI military print 'Le Poilu'. The main center colour-piece hand coloured lithograph is mounted onto the printed remarque board. The Snaffles picture shows a wounded French infantryman standing in front of a damaged building smoking a cigarette. Surrounding the main image are four remarques depicting sketches of French soldiers. One of the remarques shows two charging soldiers with bayonets drawn. This Charles "Snaffles" Johnson Payne (1884 1967) picture is in excellent original condition and framed in a black frame with the Snaffles blindstamp (a bridle bit) top right hand corner.
