Description

Antique Charles Masse Fencing Figures.
A wonderful pair of French fencing figures by Rene Charles Masse (1855-1913). It is very difficult to find fencing statues, let alone of this size and quality. The two gentlemen are made from spelter with a bronzed colour finish. Both figures are impressively large and cast with great detail and mounted onto circular plinths. The bases are marked with the artist's name, Ch. Masse.

MASSÉ RENÉ CHARLES (1855 - 1913) Pair of swordsmen
