Description

Large Bronze Cricket Sculpture Of A Batsman.
A beautifully executed bronze sculpture of a cricketer figure. The wonderful study is of a batsman in full regalia, cap, whites and batting pads. Signed to the base 'C.W. Goodman'. The sculpture encapsulates the batsman in the crease, having just struck the ball.
Bronzes of this size are rare in any sport so we feel very lucky to have found this model. we are not sure who the study is off so any suggestions are appreciated/
