Description

Ladies Side Saddle Flask And Sandwich Case.

A rare ladies hunting, side-saddle, combined sandwich case and flask in leather case. The "piggy back" hunt canteen differs from the normal style of side by side as the flask sits on top of the sandwich box instead. The leather with saddle straps and front fastening buckle. It has a inner divider for the sandwich case and flask. The top of the sandwich "box" has the traditional D loop to pull it out of the case and the inside stamped "James Dixon & Sons, Sheffield with their "Trumpet and Banner" trademark, D, 946". The shaped flask with screw top stopper. A beautiful vintage ladies sandwich case in the rare "piggyback" style in excellent condition.

Would also work well for the cyclist as a mini picnic set, could attach to the seat or handle bars.
