REF: 25307

Height: 48.5 cm (19.1")

Description

Antique Hunting Whip, Crop.
A good quality ladies stag horn handled riding whip. The crop shaft is made from wood with the top half covered in leather and it has a stitched leather keeper fitted with pleated thong. There are two silver mounts both stamped with makers initials F.N (possibly F. Narborough & Sons) and hallmarked Birmingham 1931/32.
