Description

Shop Sign Fish Model With Wall Bracket.

A painted 3 dimensional hollow tin fish with fins on a wrought-iron wall bracket. The fish was most probably made as a shop sign possibly for a Fishmongers, Tackle Shop, Fish & Chip Shop or even a pub sign. It is a nice decorative piece, the fish is well painted and beautifully executed having the dorsal fin, adipose fin, pectoral fin, pelvic fin, anal fin and tail fin. A great interior design piece or even an ideal gift for the angler.

Measurements shown are for the fish only, the adjustable bracket is 16½" high and extends out to 45".
