Description

Vintage Leather Netball Ball.

A beautifully aged, hand-stitched, traditional size 5 leather netball ball, constructed from 12 brown leather panels. The ball has extra leather strips between the panels for grip and is with a lace-up slit to the top to enable bladder inflation. The surface is lightly stencilled 'NETBALL, MATCH, Hand sewn', indicating its specific sporting use. It is made from warm brown with natural ageing that shows attractive patina and wear.

Stands sold separately.
