Description

Benjamin Lamprey Long Case Clock.

A wonderful Grandfather clock by the Cotswold clock maker Benjamin Lamprey, Burford. A mid-18th century oak longcase clock with 11-inch square brass dial with black Roman and Arabic numerals, Day of the month Numbers, (Date aperture) . inscribed "Benjn Lamprey Burford", all cornered with cast and pierced foliate spandrels. It has a quality oak case with a elegant square top supported by turned columns and a glass door to the hood with a long rectangular door to the trunk, standing on a plinth base. There is not much known about Benjamin Lamprey. Apparently he worked in Banbury, Brackley and a short time in Burford.
