Description

Vintage Brass Cribbage Board.

A brass cribbage board with thick wooden base. The brass plate is screwed onto the wooden base with the cribbage board mapped out onto it. In the center are cut outs of the various suits found in a deck of cards, clubs, hearts, diamonds and spades.

Cribbage, or crib, is a traditional British card game that involves playing and grouping cards in combinations to gain points. The objective of the game is to be the first player to score a target number of points, typically 61 or 121. Points are scored for showing certain jacks, playing the last card, for card combinations adding up to 15 or 31, and for pairs, triples, quadruples, runs and flushes.
