## Description

Antique Golf Ball Star Challenger.

A rare Star Challenger rubber core golf ball "26 1/2 Challenger" featuring the unusual STARS within STARS pattern of five pointed stars within larger five pointed stars. The stars have been embossed into the cover and the stars encircle the ball. The Challenger ball, made by Cochrane was first a gutty and later a rubber core ball. This ball is a lake ball with a typical brown finish. Nice condition. ca.1910.
