Description

D. Anderson & Sons, St Andrews, Driver.

A typical period socket head persimmon wood driver by D. Anderson & Sons, St Andrews, Scotland. This great looking club has a polished club head, lead weight to the rear and the traditional horn slip along the leading edge of the sole, head is stamped 'D. Anderson & Sons, St Andrews, Special'. The hickory shaft fitted with a suede leather grip.

The measurements shown are the length of the whole club, the width of the face and depth of the head.

A great golf club Driver in good usable condition for modern hickory play. Approximate 11° loft & swing weight B4.
