A typical period socket head persimmon wood driver, by Cann And Taylor. This great looking club has a polished club head, lead weight to the rear and the traditional horn slip along the leading edge of the sole. The head is stamped 'Cann & Taylor, Autograph Reg. The measurements shown are the length of the whole club, the width of the face and depth of the head.

A great golf club in good usable condition for modern hickory play. Approximate 8° loft & swing weight lighter than A.
