

Robert Forgan Hickory Driver

Robert Forgan

Sold

REF: 27066

Height: 114 cm (44.9")

Description

Antique Golf Club, Forgan, St. Andrews.

A good original persimmon wood golf club, driver, by Forgan of St Andrews. The head with lead weight to the rear with a horn sole insert on the leading edge and partial brass sole plate and with an approximate 12° loft. The club head and original hickory shaft marked with Forgan's details with the head also marked with the 'Kings Crown'. A very nice original hickory golf club with a suede leather grip, ideal for modern hickory play.
