

Vintage Golf Ball Mould

Sold

REF: 31543

Height: 5.6 cm (2.2")

Diameter: 5 cm (2")

Description

Vintage Two-Part Mesh Golf Ball Mould.

An interesting un-named square mesh (lattice) pattern golf ball mould. The steel moulds with locating slots on the side to ensure the correct alignment of the pattern, both parts marked in marker pen to the base 'KZ'. A nice collectors item.

The ball is for demonstration purposes only and is not included in the price.

Size is for the mould stacked together, each stands 2.8 cm high.
