Description

Shooting & Fishing Display.

An interesting display of fishing and shooting ephemera in an old letterpress drawer, printers tray. The display is made up of an old Hardy lure, back-plate of an L.R.H lightweight Hardy reel, house of Hardy cloth label, rod stoppers, lures and flies. There are also lead pellets, William Powell, Winchester and Eley cartridge shells, bullets, gun cleaning brushes, a metal Barbour badge as well as a Webley bullet and wing pin badge. There is also some fly tying material such as a foxes brush, rabbit ears and various feathers. This is a well put together display case for the country pursuit enthusiasts.
