Description

Sloping Motoring Trunk.
A charming vintage motoring trunk, designed with a sloped profile to optimise space when travelling. This classic piece of luggage is in good, usable condition, featuring leather trim, two secure clips to keep the lid closed, and a central leather carry handle. The trunk boasts a khaki waxed cloth exterior adorned with several colourful travel labels, and is lined inside with cream linen.
Specifically crafted to fit snugly in a car-either in the trunk or on the back seat-the angled design enhances storage efficiency. Due to the slope, the back of the trunk measures 26 cm in height while the front stands at 22 cm.
