Description

Vintage Metal Oil Can.

An automotive oil can made by Wesco, Birmingham. A fantastic piece of vintage motoring ephemera, the perfect gift for the motoring enthusiast. Who would have thought the mundane garage oiler of the Golden Age of automobiles would be a collector's piece. The motorist's oil can brass lid is embossed 'Wesco, B'Ham, Pat Nos 229148 - 1924, 273199 - 1927'.

The pump oil can dispenser is a great standalone piece or the start of an automobilia can collection.
