

1948 350cc Douglas Mk 3 Standard

£3,950

Description

1948 350cc Douglas Mk 3 Standard.

A good honest late 1940's British bike in good condition with original frame, engine & gearbox. The motorcycle with an age related non transferable registration number.

The bike has been restored, list of work carried out is listed below:-

- * Engine and Gearbox totally rebuilt all bearings checked and where necessary replaced, including main and big end bearings.
- * Superior quality Honda K1 pistons fitted in new thick flange barrels.
- * New clutch inserts (cork).
- * Dynamo & Mag reconditioned (Mag converted to electronic ignition).
- * Electronic voltage control fitted.
- * Wheels rebuilt using new English (Devon) wheel rims.
- * New brake shoes, front hub skimmed and oversize shoes fitted to match.
- * New cylinder head valves, springs and guides.
- * Royal Enfield comfortable cushioned saddle fitted (Vast improvement over a Lycett)
- * New Dellorto carbs fitted. These are superior to the originals and tuneable to the nth degree.
- * Starts first time even in winter.
- * Pulls very well & will cruise between 50-60 Mph.
- * The engine and gearbox have been run in properly for 1000miles and 500 miles have been covered since.
- * Brakes are very good.
- * Paint and chrome in good condition.
- * New tyres.
- * Many other new parts fitted by the previous owner including new original pattern mudguards made exclusively to original drawings for owners club.
- * Very oil tight for a British bike from 1948.

We are selling this great bike on behalf of a client.
