Description

Grass Line Marker.

A robust cast iron white line marker for grass tennis courts or sports pitches. The White Line Marking machine has been cleaned leaving a lot of the original green paint on the metal work. Cast on to the lid is 'B Hirst & Sons Ltd, England, Mix 20 LBS of Whiting to One Gallon Of Water'. There are two rear wheels with rubber trim, two wooden handles, in great condition but is missing the transfer wheel that delivers the whiting from bucket to leading painting wheel.

A great heavy duty and robust line marker manufactured in the UK, ideal for display purposes.
