Description

Ping Pong, Table Tennis Set.

A ping pong set, table tennis, in the original wooden box with sliding lid painted with 'PING PONG'. The box contains two bats, four balls, a net and two turned beechwood net posts on a hinged base. The net measures 39 inches long when open. There is also a little instruction pamphlet in French with the set. The two bats or racquets are in good original condition and are almost identically made to their larger lawn tennis cousins, even down to the small convex wedge with single screw fixing and bent ash frame, the strings are slightly damaged on the rackets. The rackets are 16 ½ inches long. On the side of the box is stamped 'Marque de Fabrique Deposee Paris'.

A good early Ping Pong set.
