## Description

Antiques Oak Rectangular Stick Stand / Umbrella Stand.

A very nice Edwardian free standing vintage oak hallway stand, made to retain umbrellas, walking sticks or canes. The well crafted stick stand has nice proportions, good patina and is made of oak. The stand has four nicely turned supports, the top section having six divisions, the lift out drip tray with three. This is a great way to display your walking sticks, umbrellas or even the odd hickory golf club.

The walking sticks are sold separately.
