REF: 30550

Height: 10 cm (3.9")

Diameter: 33 cm (13")

Description

Vintage Turned Wooden Bowl.
A nice piece of late 19th century Treen. This lovely turned bowl has a good thick rim, twin tram lines a little further down the body and is probably made of sycamore wood. A great looking fruit bowl or display bowl.

Price does not include cricket balls, they are sold separately at £15 each.
