Description

Karesuando Beaver Damascus Knife.

This is an extremely good high quality fixed blade multipurpose knife, suited to shooting sport, deer stalking, hunting, camping and forest activities. This is a very special knife that would make an unusual gift. The handle is made from curly birch stained with a golden red/brown colour with a reindeer antler spacer, brass finger guard and with a reindeer antler insert. This is an extremely good Swedish knife with a very sharp 9 ½ cm high quality Damascus steel blade with a finely etched pattern on both sides. The Sheath is hand made with a wide belt loop and fluid draining hole.
