

Crook Handle Walking Stick With Silver Mounts

Sold

REF: 27776

Height: 91.5 cm (36")

Description

Bent Wood Walking Stick.

A beautiful traditional shaped crook handled walking stick made from a single piece of what looks like bamboo. This is a good, strong practical walking stick, the handle makes it easy to hook over your arm or door handle etc. The silver collar and tip has a London hallmark dating to 1923, makers mark 'HP & S', Henry Perkins & Sons.

The stick is in good condition with rubber ferrule.
