Description

Antique Wooden Shooting Stick.

A good high quality sports seat, shooting stick made of fruitwood with folding seat and polished brass fittings. The shooting stick is very decorative with an octagonal shaft with turnings to the top and bottom and with a shaped seat. There is a metal disc (2 1/2 inches diameter) on the bottom to support the seat in soft ground, now fixed but used to unscrewed. The stick is in good original condition.

Height when closed for walking 34 inches.
