Description

Alpspitze Oil On Canvas By Georg Grauvogl.

A stunning oil painting of the Bavarian mountain, the Alpspitze with its unmistakable Pyramidal peak. A striking oil on canvas perfectly capturing the atmosphere of the cold winter climate with the snow-covered mountains and snow-laden fir trees, quite spellbinding the way the shadows fall on the snow. Signed bottom right-hand corner, Georg Grauvogl.

Georg Grauvogel was born in 1896. He was a landscape painter active in Munich, died 1986.
