Description

Oil Painting Of Winter In Tirol.

A stunning winter oil painting of the Alps by Alfred Kusche 1884-1984. A striking oil on board perfectly capturing the atmosphere of the cold winter climate with the snow-covered mountains, snow-laden fir trees and the snow covered rocks in the river, quite spellbinding the way the shadows fall on the snow. Signed bottom right-hand corner, A. Kusche. Written on the reverse of the painting "WINTER IN TIROL, A. KUSCHE".
