## Description

Bespoke Riley Snooker Table.

A high quality Mahogany 8' slate bed snooker table made by Riley. The Aristocrat is engineered and built to the same exacting standards as the Aristocrat Tournament Champion. The obvious difference is the traditional style, dark stained mahogany throughout as opposed to the Tournament with a more contemporary styling. The Aristocrat is provided with club cut slate and pockets which are a little more forgiving for the casual player. The pockets are made using English cow hide leather to ensure maximum durability with string net bags. The table parts are stamped '5409'.

The table has been given a facelift with the application of red 'Tartan' like material and antlers. The material covers the base rails, leg tops and cushion sides. Fallow deer antlers have been applied to the two long sides and act as rests for the long cue and bridge rest. Applied to the cushion rails are antler tips with burr rosettes and a cast plaque with a running stag in relief. The pockets have new mesh pocket bags, the cushions have been re-baized and the playing surface is new.
