Description

Riley 7ft Dining Snooker Table.

A fine quality early 20th century mahogany dining snooker, billiard, pool table by E. J. Riley Ltd., of Accrington. The dual height billiard dining table has good shaped and fluted square section legs and comes with five removable leaves. The Slate bed is covered with high quality baize. The leaves are stamped 'A71361', the legs also have the same number and are stamped 'E.J Riley Ltd Accrington'. The purpose for the dual height is so the table is at the correct height to dine from (when in the low position) and with the use of the patent rise and fall lifters the table can then be raised to the correct height to play a game of snooker, billiards or pool (33 inches high). The table is in good usable condition with good cushions and clean playing cloth.

There is a set of snooker balls, 1 rest and 2 cues to accompany this table.

A great table for those who have limited space.
