## Description

### Garden Lawn Bowls.

Four small lignum vitae garden lawn bowls, numbered 3 & 4 with white bone pegs insets into the face. The bowls probably came from a larger set of eight, four pairs of bowls with the pairs graduating in size and each set numbered. These are great little bowls with nice patina and graining. A couple of the images show the small bowls next to standard size bowls (these are not included in the price).

The wooden stands are included in the price.
