## Description

Signed Cricket Bat by the 1990 England & New Zealand Cricket Teams.

A good Duncan Fearnly endorsed cricket bat signed to the front of the blade by the 1990 England and New Zealand cricket teams. The blade face has around 26 original signatures in ink. A good looking bat with some great cricket autographs, bat with perished rubber grip and Warwickshire County Cricket Club label to the rear. From the personal collection of Bernard Thomas, who was the physiotherapist for the England team between 1970 and 1985.

All of the signatures are good and crisp and we believe that some of the English signatures are from Allan Lamb, Devon Malcolm, Angus Fraser & Neil Fairbrother.
