Description

Vintage John Jaques Croquet Set.

A good quality John Jaques croquet set on a new mahogany carry stand. The set is with four boxwood croquet mallets (two different styles) with ebony guide lines on the top of the mallet heads. To complete the set there are four balls in the standard croquet colours, six bent metal hoops and two original Jaques posts with coloured bands; the colour sequence indicating the order of play.

The stand makes it easier to transport the set out to the lawn, but also looks very attractive standing in the hall.
