Description

Vintage punch bowl by Royal Doulton with fishing scenes.

A good Royal Doulton punch bowl decorated with Isaac Walton design fishing scenes standing on an ebonised wooden base. The inside rim has a proverb running all the way around that reads "The Jealous Trout, that low did lie, rose at the well dissembled fly". And when the timorous trout I wait to take. And he devours my bait." I care not. I. to fish in seas, fresh rivers best my mind do please".

This is an exceptional piece of Royal Doulton and although it has a small repair it would make a great centre piece of anyone's collection.

Wooden base stands 3 1/4 inches high.
