

Small Fishing Rod Display Rack

£70 + VAT

REF: 24416

Width: 15.5 cm (6.1")

Depth: 5.5 cm (2.2")

Description

Fishing Rod Display Rack.

A locally made fishing rod display rack. The rack comes in two sizes and this is the smaller of the two. It is made of polished mahogany and will display a split cane fishing rod nicely on the wall in the vertical position without damaging the rod. It will display a four-piece rod or even two two-piece rods side by side.

Fishing rods are sold separately.
