

Leather Rugby Ball

£145

REF: 30321

Height: 31 cm (12.2")

Width: 21 cm (8.3")

Depth: 20 cm (7.9")

Description

Vintage Leather Rugby Ball.

A great looking traditional rugby ball crafted from brown leather, showing rich patina and wear consistent with its age. The ball is with good colour and patination. The ball has the classic four-panel construction, with visible lacing at the top so the bladders can be replaced or inflated. Its surface displays natural creases, scuffs, and weathering, giving it an authentic, timeworn character.

Display stands sold separately.
