Mahogany Rope Back Child's High Chair.

A mahogany Regency child's highchair with wonderful colour and patination. The chair is a scaled down version of a rope back dining chair raised on top of a mahogany platform. This delightful chair has a beautiful rope twist design back with curved back support, reeded arms and turned legs. It has a drop in seat and a safety bar. The chair can be removed from the platform by unscrewing the mahogany thread and converting it into a table and chair. It is in excellent original condition.
