Description

ANTIQUE ROULETTE WHEEL.

An unusually large American roulette wheel of exceptional quality and in excellent condition. The mechanism on this wheel is made to perfection providing an extremely smooth and prolonged spinning action. It is veneered and inlaid in Rosewood, ebony & satin wood and has a very ornate carved giltwood surround. The wheel has red & black slots numbered from 1 to 36, a 0 plus a 'free spin' slot. The roulette wheel was manufactured by J. W. Sneed, Long Beach, California.
