Description

Vintage Cribbage Board Box.
A traditional rectangular cribbage board box with inlaid decoration, made from mahogany and veneered in exotic woods. The board has no scoring numbers but is divided into 5 point segments as a means of keeping track of the score, there is a total of two sets of 60 holes (30 'out' and 30 'back'). One player or team scores on one set of holes and the other player or team scores on the second set, this way you can tell at a glance who is winning and how far away from victory they are. The hinged lid lifts to reveal three compartments, one lidded central compartment for pegs with one either side for a pack of playing cards.
A very nice crib board in good usable condition. The board comes with the pegs and one deck of cards.
