

Antique Mesh Patterned 'B.I.' Golf Ball

Sold

REF: 26561

## Description

Antique Mesh Patterned 'B.I.' Golf Ball.

This is a nice 1910's rubber core golf ball in near mint condition. The mesh or lattice pattern golf ball was manufactured by British Insulated Cables Ltd., Lancashire, England. The ball marked 'The B.I.' and is a No.1 ball. The ball is with part of the original wrapper with decorative black round label, " B I".

The ball is approximately 1 5/8 inch in diameter (4.1 cm).
