## Description

Crescent Golf Bag Stand, Automaton Caddy.

A great little caddie stand for your pencil golf bag. The "Crescent" stand clips to the top of your golf bag and is secured with a brass thumb screw. With the push of a button the two beech wood scissor legs spring out to support the bag. The automatic caddy stand has a ivory label "Crescent, Pro. Pat. No. 80 456".

Auto caddy golf bag stands were becoming popular by the end of the 19th century.

Golf bag and clubs not included, but do check our website if you are after some vintage hickory golf clubs or even a set of playable Hickories.
